

TUESDAY MEMO 10/30/18

PICTURES

If you ordered school pictures, they were sent home yesterday. There are extra class pictures available in the school office for \$8 each. They will be sold on a first come, first served basis.

CHILI DINNER

Thank you to everyone who sold tickets, prepared desserts and volunteered their time on Saturday. We will let you know the results when we have them.

BOOK FAIR

Thank you to everyone who purchased books at our Book Fair last week. We will share the final results of the sales and let you know which class won as soon as all the sales are tallied.

MIDDLE/HIGH SCHOOL ~ YANKEE CANDLE FUNDRIASERS

The catalog orders for the Yankee Candle fundraiser are closed. Orders may be placed online through January 10, 2019. Just go to yankeecandlefundraising.com. The group number is 990104327.

YEARBOOK ORDERS

This is just a reminder that payment for yearbooks are due with your October tuition. The cost is \$30 each.

EXTENDED CARE

There will be no daily extended care offered over Thanksgiving or Christmas breaks.

ILLNESS PROCEDURES (FROM THE HANDBOOK)

Should your child become ill and unable to remain in school, the school will contact you. Your child will be separated from the other classmates until you arrive. **A sick student CANNOT stay at school, and the parents/guardians are expected to make necessary arrangements.**

Please do not send your student to school if he/she is not feeling well and cannot function normally. Children who have contagious diseases (fevers, severe coughs, rash, red throat, vomiting, or diarrhea in the last 24 hours) or who have not sufficiently recovered from an illness should remain at home. **Please do not give your child Motrin, Tylenol, etc., and bring him/her to school.** In most cases, the child will run a fever within two or three hours after the medication was given, therefore, making him/her contagious to the other students. **Students with a fever of 101 degrees or above should not return to school until 24 hours after the student's temperature has returned to normal WITHOUT THE USE OF ANY medication.**
