FEBRUARY ~ OPPORTUNITY SCHOLARSHIP GRANT MONTH

New and renewal applications must be completed in February in order to be on the priority list! If you know of any families who could benefit from this program, please pass the word along. For more information and the online application go to www.ncseaa.edu/OSG.htm. Disability Grant families must renew in April and new student Disability Grant applications open May 1. A detailed information sheet is attached. Please read it carefully for yourself so you can explain the program to friends and family. We have several students already benefiting from these scholarships.
