

NC OPPORTUNITY SCHOLARSHIP GRANTS 2018-19

The Opportunity Scholarship Grant Program expands school choice in North Carolina through scholarship grants for eligible children in kindergarten through 12th grade. This program aims to help our state’s low-income and working-class families obtain a quality education for their children. It provides funding of up to \$2,100 per semester/\$4,200 per year for eligible children who choose to attend a participating **nonpublic school**. **Neighbors Grove Christian Academy is a participating school**. NGCA’s tuition is \$3,800 plus registration fee \$120 (\$75 if paid by June 2) and book fee \$190, totaling a maximum of \$4,110. There are also multiple child discounts.

Below are the specific eligibility requirements for the program based on household income and student enrollment. **All families must apply through the North Carolina State Education Assistance Authority website**.

To be eligible for the scholarship a student must live in a household whose income meets the Income Eligibility Guidelines established by the Opportunity Scholarship Program. (See chart)

Who Gets Priority to Receive a Scholarship?

- First priority will be given to eligible students who received a scholarship during the previous school year and reapply by March 1, 2017.
- New families who apply by March 1 will be considered in the first lottery.
- New families not receiving a scholarship in the lottery or applying after the March 1 deadline will be placed on a waitlist and awarded scholarships based on their number on the waitlist.

To apply for the Opportunity Scholarship for the first time, complete an Opportunity Scholarship **New Student Application**. Students who have not previously received an Opportunity Scholarship are new students, even if a sibling is already an Opportunity Scholarship recipient. **Current** Opportunity Scholarship recipients (2017-18) should log on to the Opportunity Scholarship Portal to complete a **renewal** application. Current recipients **must reapply** each year.

The priority deadline for renewal and new applications is **March 1, 2017**. Applications will be accepted after March 1, but will have a much lower chance of receiving a scholarship due to limited funds.
