SUMMER TUTORING AVAILABLE

The summer months provide an opportunity for students to focus on individual areas of extra challenge, without the stress and fatigue of daily schoolwork. This is also a time when lack of practice sometimes makes the transition back to class in the Fall more difficult.

With this in mind, private tutoring will be offered with Miss Howell from June 5-August 18, 2017. The content of the individualized one-hour sessions will be tailored to the specific needs of the student in areas of Language Arts at all grade levels, including phonetic reading and spelling, reading comprehension, creative writing, grammar, and language mechanics. Elementary math instruction in the four basic operations, including counting, place value, borrowing, carrying, counting money, telling time, and fact mastery drills will also be available.

Both morning and afternoon times will be available for twice-weekly sessions on Mondays and Wednesdays, and schedules can be adjusted to accommodate vacations. (For students enrolled in Summer Camp, those paying for tutoring will have their sessions during their time on campus.) Cost will be \$20 per hour, payable directly to Miss Howell and due in advance on Wednesday for the following week. Please contact her to reserve an opening for your child, or to obtain further information. Miss Howell can be reached at (740) 262-2335, or by email at darladowell@gmail.com.

LETTERS OF INTENT

If you have not yet returned your letter of intent for next year, please do so as soon as possible. This helps us as we plan ahead and begin ordering text books. A simple statement on an email reply would also be fine.

SUMMER CAMP AT NGCA

Neighbors Grove is a great place to be for school age summer care. Two field trips are planned for each week as well as special on-site activities. Each day about 30 minutes are given to curriculum review using the Summerbook workbook for each student's grade level. Each morning also includes a devotional time. The computer lab, arts & crafts, and other activities are included as well or plenty of fresh air play time. Part-time enrollments of at least 3 days a week are available also. Early registration, by May 15th is only \$15. After the 15th it is \$30. Enrollment forms are available in the office or can be downloaded at neighborsgrove.com.

2017-18 REGISTRATION INFORMATION

Registration is now open for next school year! There will be a small increase in tuition for next year. Below is a chart showing the multi-child discounts and the option of a 12-month payment plan. The 12-month plan must begin in June unless a catch-up payment is made in August covering June and July. Registration is \$120; however, it is \$75 if paid by the last day of school. The book fee is \$190. There is also a referral incentive: if a family indicates on their enrollment form that you referred them to NGCA, then you and the new family will receive a \$100 credit towards tuition on their second month of attendance. A "referral" means that they would not have seriously considered coming without your recommendation and encouragement. Please get the word out that NGCA is a great place to be! Thank you!
