CAMRIN KEENE MEMORIAL GIFTS

A memorial gift has been received by the academy in memory and honor of Camrin, given by family members, in the amount of \$1,000. We have also received from school parents a \$250 gift for the Neil Goslen Scholarship Fund in memory of Camrin. We appreciate so much the loving thoughtfulness of these gifts toward the academy and especially toward Camrin's family. After some thought and consultation with the family about something of a more permanent nature that could be done with the undesignated gift that would benefit the school, the board has approved the following idea. Two 8' commercial grade steel mesh, thermoplastic coated picnic tables would fit nicely, one on each side of the covered sidewalk where dismissal takes place each afternoon. These tables would be available in warm weather for a class to eat lunch or snack outside. They would also be available for CDC teachers to enjoy their break outside. The extra heavy-duty tables guaranteed against breakage for 20 years are priced at just over \$1,000 each, plus shipping. Knowing how much Camrin loved the outdoors and the zoo trip with his classmates in early October, we felt this would be a suitable way to honor his memory. A plaque would be attached to the tables.

Parents and students are invited to contribute additional memorial gifts to help purchase the 2nd table in memory of Camrin. All checks should be made to NGCA and are tax deductible. A list of donors (without gift amounts) will be shared with the family. Thank you for helping us honor the memory of this student we loved and now miss so much.
